ADVANCED STANDING APPLICATION and PROGRAM REQUIREMENTS

- I. Dental graduates from schools other than accredited dental schools in the United States and Canada must:
 - a. Present proof of graduation from a recognized dental school and official transcript and/or such other documents as may be requested by the Admissions Committee as evidence of having successfully completed courses equivalent to the first and second years of the curriculum of this dental school. **The Admissions Committee requires all applicants to take Part I of the National Dental Boards and attain a score equal to the average score received by students at the University of Connecticut School of Dental Medicine which is currently a 90.**
 - b. Give evidence of the ability to speak, write and read English. Successful completion of the Test of English as a Foreign Language (TOEFL) is required; generally scores above 250 (computer-based total), 600 (paper-based total), 100 (internet-based) and 7 (IELTS) are considered acceptable.
- II. Accepted Advanced Standing students will be admitted into the first year of the 3-year program on a probationary basis. Students will be required to complete and pass all Year 2 and selected Year 1 predoctoral dental science courses. Advanced Standing students will be considered full-time for the purposes of tuition and fee charges.

Advanced Standing students are expected to perform at or near the mean of the predoctoral dental students on all examinations. At the end of first year the overall performance of each Advanced Standing student will be evaluated and a final decision will be made by the Academic Performance Committee to determine if the student will be allowed to continue as a full time student into the next year of the program.
- III. No special student shall complete the program with less than 3 full academic years in residence.
