

UCONN HEALTH INCOMING MEDICAL STUDENTS INSTRUCTIONS FOR PRE-PLACEMENT EXAM

- Student Health Services welcomes you to **UCONN Health**. To better serve you, for any communication with Student Health Services always indicate that you are a Medical Student/Class of 2022.
- All incoming students **MUST** have a pre-placement physical exam with Student Health Services before beginning classes. These appointments can be scheduled by calling 860-679-2893. These appointments fill up quickly so make your appointment soon!
- Attached is the **Immunization Documentation Form** which **MUST** be completed and signed by a licensed health care provider. Please bring the completed form with you to your appointment. Also, bring any available immunization documentation, including childhood vaccinations, to your appointment.
- If you cannot provide immunization documentation, any required vaccination administration or laboratory testing will be done at your appointment.
- Also included in this packet are a **Health Questionnaire for Incoming Students** and a **Respirator Medical Evaluation Questionnaire**. Please complete both forms and bring them with you to your appointment.

VACCINATION and IMMUNIZATION REQUIREMENTS:

- **Measles, Mumps, Rubella and Varicella**
 - **We require documentation of two doses of each vaccine.** Please provide dates of each vaccination. Titers should be done only if vaccination history is unknown or incomplete. If titers are done, please provide copies of lab reports
- **Hepatitis B**
 - **We require documentation of the primary 3-dose series PLUS a post-vaccination Hepatitis B Surface Antibody titer demonstrating immunity.** Please provide dates of vaccination, and lab reports showing the date and result of the immune titer.
- **Tuberculosis**
 - **We require documentation of 2 TB skin tests within the last 12 months, or a single Quantiferon Gold blood test within the last 12 months.** Additional TB skin testing may be required at your pre-placement physical exam. If you had a positive TB skin test in the past, provide a copy of your most recent chest x-ray report.
- **Tetanus, Diphtheria, and Pertussis**
 - **We require that you be up to date on this vaccine.** Please bring documentation of your most recent immunization, including the date and what sort of booster you received (Td or Tdap.) If you have gone 10 or more years since your last booster, please obtain a Tdap.
