The UConn SHaW is the University's on-campus health facility. Student Health and Wellness is staffed by physicians, nurse practitioners and registered nurses.

Any student who has paid the SHaW Fee on their current term fee bill is eligible to use SHaW. Students who are registered for credit-bearing courses at Storrs through the College of Continuing Studies are also eligible.

The SHaW provides a wide variety of services. This includes primary care visits with doctors, nurse practitioners, nurses and nutritionist. Additional charges may be incurred for laboratory testing, pharmacy items, X-rays, special medical procedures and visits with specialists. The Women's Clinic also charges for annual GYN exams. Many of the charges are reimbursable by this Plan or other private health insurance.

**For Students of the Storrs Campus who have purchased the Student Health Insurance coverage, the deductible and copayment will be waived when you use the UConn Student Health and Wellness (SHaW) and the UConn Student Health and Wellness – Mental Health.**

## Am I Eligible?

All registered full-time Undergraduate students taking 12 credits are required to have health insurance coverage, either through this Student Health Insurance Plan or through another individual or family plan. Most students are automatically enrolled in the Student Health Insurance Plan at registration and the premium is added to the student's tuition.

All registered full-time Graduate students taking 9 credits are required to have health insurance coverage, either through this Student Health Insurance Plan or through another individual or family plan. Most students are automatically enrolled in the Student Health Insurance Plan at registration and the premium is added to the student's tuition.

All registered Part-time students taking 6 credits are eligible to enroll in this Student Health Insurance Plan on a voluntary basis. Please contact Smith Brothers Insurance.

Insured Students who are enrolled in the Student Health Insurance Plan may also enroll their eligible dependents.

## How Do I Waive/Enroll?

Most full-time students will be automatically enrolled in the Student Health Insurance Plan, unless a waiver has been completed by the specified deadline dates listed. The premium for the Plan will be added to your tuition bill. Eligible students who enroll may also insure their eligible dependent(s). To enroll dependent(s), please contact Smith Brothers Insurance, 68 National Drive, Glastonbury, CT 06033 (860) 430-3338.

**Exempt Plans:** While most full-time students are automatically billed for the UConn Student Health Insurance Plan, there are some university programs that are exempt from the health insurance requirement. Due to multiple changes of plan classification it is advised that ALL students check their tuition fee bill to determine if the fee for the insurance has been posted. If the change has not been posted, you may still be eligible to voluntarily enroll in the student health insurance plan.

If after review of the coverage a student wants to formally decline (waive) the Wellfleet/UConn Student Health Insurance Plan, the online waiver must be completed. The online Waiver is accessed through the student administration (PeopleSoft) system at [www.studentadmin.uconn.edu](http://www.studentadmin.uconn.edu). Your UConn NetID number and unique password are needed to access the system. The only acceptable form of notification to decline the coverage is via the online waiver.

**The deadlines to waive coverage are:**

- **Fall Term - September 15, 2021**
- **Spring Term - February 5, 2022**

Waiver submissions may be audited by the University of Connecticut, Smith Brothers Insurance, and/or their contractors or representatives. You may be required to provide, upon request, any coverage documents and/or other records demonstrating that you meet the school's requirements for waiving the student health insurance plan. By submitting the waiver request, you agree that your current insurance plan may be contacted for confirmation that your coverage is in force for the applicable policy year and that it meets the school's waiver requirements.
